NEW BUSINESS

- The board discussed applying for the Google Nest being offered for thermostat control. If this is not available, Javier offered to install programmable thermostats at the clubhouse. There are three separate systems.
- Area is working with another insurance broker for price comparisons. It looks as though there will be a raise in the amount due from each owner.
- 8268 Barrybrooke - owner is asking for a wallpack light to provide more security on the walking path to the unit. The board approved Jackson County Electrical to install for \$413.
- 8254 Revere - the owner is asking for the railing to be upgraded to ADA guidelines.
- The concrete issues are a concern around the complex and will be addressed when funds are available.
- The board is working on getting the covenants/bylaws updated. Candy is currently getting them typed in word.
- The board approved the powerwashing bid for \$5,000 from Presko. Area will ask for the detailed list of addresses to be done.
- Javier is reaching out to another contractor for bids on the lawn maintenance and snow removal.
